

Name	Designation	Department & College	Broad Research Area	E-mail ID
Mangilal Choudhary	Assistant Professor	Department of Physics and Astrophysics	Experimental Plasma Physics	mehoudhary@physics.du.ac.in
Suman Chowdhury	Assistant Professor	Department of Physics and Astrophysics	Computational Condensed Matter Physics	sumanchowdhury88@gmail.com
Sangeeta D Gadre	Professor	Kiroti Mal College	Complex Systems	sdgadgre@gmail.com
Sunil Kumar	Professor	Ranjas College	Complex Systems Networks and Nonlinear Dynamics	skumar@ranjas.du.ac.in
Suresh Kumar	Professor	Department of Physics and Astrophysics	Experimental Nuclear Physics	skumar@physics.du.ac.in
Arun K umar	Assistant Professor	Department of Physics and Astrophysics	Experimental High Energy Physics	akumar7@physics.du.ac.in
Vikram Rathee	Assistant Professor	Department of Physics and Astrophysics	Non-equilibrium behavior of colloids and liquid crystals	vr21@physics.du.ac.in
Awadhesh Prasad	Professor	Department of Physics and Astrophysics	Dynamical Systems	awadhesh.prasad@gmail.com
Shanhar Subramanian	Assistant Professor	ARSD College	Supercapacitors and batteries	sssubramanian@arsd.du.ac.in
Sanjay Kumar Chamoli	Professor	Department of Physics and Astrophysics	Experimental Nuclear Physics (Pure and Applied)	skchamoli@physics.du.ac.in
Vivek Kumar Verma	Professor	Hindu College	Material Science	vivekverma@hinducollege.ac.in
Arijit Chowdhuri	Professor	Acharya Narendra Dev College	Condensed Matter Physics	arijitchowdhuri@andc.du.ac.in
Monika Tomar	Professor	Miranda House	Material Science (Experimental)	monikatomar@gmail.com
Anjali Sharma Kaushik	Associate Professor	Hansraj College	Material Science (Experimental)	anjali.sharma31@gmail.com
Chetana Jain	Professor	Hansraj College	Astrophysics	chetana.jain11@gmail.com
Amarjeet Kaur	St. Professor	Department of Physics and Astrophysics	Material Science / expt. Condensed matter physics	amarikaur@physics.du.ac.in
Om Prakash	Assistant Professor	Department of Physics and Astrophysics	Experimental condensed matter physics, superconductors	om.prakash@physics.du.ac.in
D N Gupta	Professor	Department of Physics and Astrophysics	Laser-Plasma Physics, Plasma Simulations, THz	dn.gupta@physics.du.ac.in
Debabrata Mishra	Associate Professor	Department of Physics and Astrophysics	Sensing and energy devices	dmishra@physics.du.ac.in
Anant Pandey	Professor	Sri Venkateswara College	Radiation Physics	anandey@svc.ac.in
P. Senthil Kumar	Professor	Department of Physics and Astrophysics	Experimental and Theoretical condensed matter physics	pskumar@physics.du.ac.in
Mohammad Naimuddin	Professor	Department of Physics and Astrophysics	High Energy Physics	nayemsworld@gmail.com
Sanjeev Kumar Verma	Professor	Department of Physics and Astrophysics	High Energy Physics, Cosmology, Astrophysics	skverma@physics.du.ac.in
S Somnendro Singh	Professor	Department of Physics and Astrophysics	High Energy/Physics of Quark Gluon Plasma	sssingh@physics.du.ac.in
Pradip Kumar Jha	Professor	DDU College	Theoretical condensed matter	pkjha.physics@gmail.com
Utkarsh Mishra	Assistant Professor	Department of Physics and Astrophysics	Theoretical quantum information and quantum computing	umishra@physics.du.ac.in
Subhjit Pal	Assistant Professor	Department of Physics and Astrophysics	Steady-state and nonequilibrium dynamics in active matter systems	spaul@physics.du.ac.in
Ashok Kumar	Associate Professor	Department of Physics and Astrophysics	High Energy Particle Physics	ashok.hep@gmail.com
Archana Mishra	Assistant Professor	Department of Physics and Astrophysics	Theoretical Condensed Matter Physics	amishra@physics.du.ac.in
Narendra Singh	Professor/Principal	Zakir Husain Delhi college	Theoretical Atomic Physics	nrsingh76@yahoo.co.in
Prof. Vandana Luthra	Professor	Gargi College	Material Science, Nano Material	vandana.arora@yahoo.com
Rakesh Kumar Mishra	Assistant Professor	Department of Physics and Astrophysics	Biophysics, Computational Biology, Statistical Physics	rkumarmishra@physics.du.ac.in
Jyoti Rajput	Professor	Department of Physics and Astrophysics	Experimental Molecular Physics	jrjput@physics.du.ac.in
Sukharro Datta	Professor	SGTB College	High Energy Physics	sukharrodutta@gmail.com
Punita Verma	Professor	Kalindi College	Accelerator based Experimental Atomic Physics	punitaverma@kalindi.du.ac.in
Sourav Sur	Professor	Department of Physics and Astrophysics	General Relativity and Cosmology	sourav@physics.du.ac.in
Amarjeet Kaur	Sr. Professor	Department of Physics and Astrophysics	Experimental Condensed Matter Physics/Materials Science	amarikaur@physics.du.ac.in
Ajit Mahapatro	Professor	Department of Physics and Astrophysics	Experimental condensed matter physics	ajit.physics.du@gmail.com
Govind Dayal	Assistant Professor	Department of Physics and Astrophysics	Plasmonic Nanocavities for Ultra-Sensitive Molecular Detection	aapkgad@gmail.com
Krishnakanta Mondal	Assistant Professor	Department of Physics and Astrophysics	Computational Condensed Matter Physics	kmondal@physics.du.ac.in
Samit Kr Mandal	Sr. Professor	Department of Physics and Astrophysics	Nuclear Physics & Nuclear Astrophysics	S.Mandal.du@gmail.com

Debjyoti Choudhury	Professor	Department of Physics and Astrophysics	Particle Physics, Gravity, Cosmology	debcou@physics.du.ac.in
Amrita Chandra	Sr. Professor	Department of Physics and Astrophysics	Materials Science	achandra@physics.ac.in
Sumalay Roy	Associate Professor	Department of Physics and Astrophysics	Experimental Condensed Matter Physics/Materials Science	sumalay.roy@gmail.com
Sevi Murugavel	Sr. Professor	Department of Physics and Astrophysics	Condensed Matter Physics - Expt	murug@physics.du.ac.in
